

## Te Pūtātara a te whānau Te Kura Kaupapa Māori o Wairarapa

Wāhanga Ako 1, Wiki 8 o te 11

17 o Poututerangi 2020

Nei ra ngā mihi mahana ki a koutou e te whānau

### **Kaupapa Ratonga / Services Programme**

I te Rāmere i tīmata ai tā mātou kaupapa ratonga. Ka tū tēnei kaupapa i ia ahiahi o te Rāmere mai i te 1.15pm tae atu ki te 3pm. Ko te pūtake mātua o te kaupapa nei ko te whakaaro a tātou tamariki kia whai whakaaro ki te tautoko, ki te tuku koha anō hoki ki o ētahi atu. Kua 12 a tātou rōpū rerekē i tēnei wā; ā, ko te mahi maara, te tunu kai, te peita mata rahi, te hanga kōauau, te mahi kāmura, te waiata, te tuitui, me te rāranga anō hoki ētahi o ngā mahi.

*On Friday afternoon we began our services programme. This will run every Friday afternoon from 1.15pm until 3pm. The purpose of this programme is to teach our tamariki to think about how we can support, and what we might be able to give to others. We have 12 different groups at the moment; gardening, cooking, painting murals, making kōauau, carpentry, busking, sewing and weaving are just a few of the activities.*

I whakaemihia te rōpū waiata i te \$301.70 i roto i te hāwhe hāora! Ā tōna wā ka tukuna atu taua rahinga moni ki te kāhui matepukupuku.

*The group that went busking raised \$301.70 in just half an hour! This money will be given to the Cancer Society.*

## How do I claim the spectacle subsidy?

All optometrists and ophthalmologists registered with Enable New Zealand have the required forms you will need to sign.

On your behalf, the optometrist or ophthalmologist will submit the request directly to Enable New Zealand.

Once Enable New Zealand has received your subsidy request, the approved subsidy will be paid directly to the optometrist or ophthalmologist. Anything over the threshold amount available will need to be paid directly by you to the optometrist or ophthalmologist.

## If I have further questions who can I contact?

If you have any questions about the spectacle subsidy, please contact Enable New Zealand on 0800 ENABLE (362 253) or [enable@enable.co.nz](mailto:enable@enable.co.nz).

Alternatively, for full details you can read the spectacle subsidy manual and clinical guidelines on the Disability Funding Information website [www.disabilityfunding.co.nz](http://www.disabilityfunding.co.nz)

## CHILDREN'S SPECTACLE SUBSIDY

**MINISTRY OF HEALTH**  
MANGATI HAURUA

*Enable New Zealand manages the children's spectacle subsidy on behalf of the Ministry of Health.*

## Who can get the spectacle subsidy?

A child or young person who is 15 years of age or under, provided:

- the parent/guardian or child has a *valid* community services card, or
- the child has a *current* high use health card.

There are also clinical guidelines your child will need to meet. Your optometrist or ophthalmologist will discuss these guidelines with you during your appointment.

If your child does not meet the clinical guidelines, your optometrist or ophthalmologist may apply to Enable New Zealand for a review of your child's circumstances.

## The spectacle subsidy can be claimed for the following items:

- Eye examination
- Spectacles (frames and lenses)
- Eye patches, and/or
- Repairs.

## How much can I claim and what can I claim for?

The total subsidy amount available each year for your child until they turn 16 years old is **\$287.50 including GST**.

Of the **\$287.50**, a maximum of **\$138.00** including GST can be used toward frames. Additional funding of **\$51.11** including GST is available if your child requires adult size frames.

A higher level subsidy is also available for children and young people with more complex vision needs. More complex vision needs means that the examining ophthalmologist has confirmed that the child or young person has rapidly progressing myopia and requires assessment six monthly, and possible six monthly modification to spectacles, or has amblyopia or strabismus and requires more extensive intervention.

Your child's subsidy *year* will start from the date that the first examination appointment occurred with an optometrist or an ophthalmologist. This date will become your child's *anniversary date*.

It is important to note if you do not use the full entitlement available, the remaining balance is not able to be accumulated for the following year. The spectacle subsidy cannot be claimed in advance.
