Kia ora e te whānau

Towards the end of June, the Kura is celebrating Matariki and we want to do something memorable for this year. We have decided to do a 'Time Capsule' where students can contribute towards our container and then bury it on Kura grounds. We haven't decided how long it's going to be buried for. Anyway, below are some ideas on what the tamariki can contribute:

- Their favourite fashion trends from a magazine
- A newspaper published on their birthday
- Certificates/ribbons from sports games
- School papers/art projects
- Photos from the past year/years
- Party items such as confetti
- A book with a special note etc

Ngā mihi whaea Lily
